Long Way to Go

Gwen Stefani

We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerHer/His skin wasn't the same color as mine
But she/he was fine, she/he was fine
If all men are made equal
Then she/he was fine, she/he was fine
Up until the time we went out on a date
I was fine, I was fine
Now I'm getting dirty looks, I wonder what they'd say
If we were blind, we were blind peopleWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computer
We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerBeauty is beauty, whether it's black or white
Yellow or green baby, you know what I mean
What if Picasso only used one color
There shouldn't be a rule, how to choose your loverLovers in love is such a wonderful thing
Maybe in time, we'll get together and sing
I really hope so, there's nothing wrong with this picture
We got a long way to go, we gotta get there quickerWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computer
We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerWhat color is love [3x]We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computer
We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computer...that all men are created equal...
...children will one day live in a nation where they will not be judged by...

...by the color of their skin...
...but by the content of their character...
...this will be the day when all of God's children...
...will be able to sing with new meaning...
...not only that...
