Tides (Corey Baker & Rami Deejay Edit)

The xx

You leave with the tide
And I can't stop you leaving
I can see it in your eyes
Some things that lost their meaningDevote to me

Alone with me

Say with me

"Why would you ever want to leave?"You leave with the tide

And I can't stop you leaving

I can see it in your eyes

Some things that lost their meaningFade out of view

I wouldn't do that to you

I wouldn't just leave us alone

When we could be close, close, closeHold me close when you could leave us alone

Why would you just leave us alone

When we have been close, close You leave with the tide

And I can't stop you leaving

I can see it in your eyes

Some things that lost their meaning You leave with the tide

And I can't stop you leaving

I can see it in your eyes

Some things that lost their meaning
