

Dirty (Interlude Featuring Junior Wells)

Earth, Wind & Fire

Alright

Tell you 'bout Dirty now

Check this out, alright, alright Yea I'm gonna tell ya a story bout this cat

His name was Dirty

And uh, he lived down the street from me

Second house, shotgun house

You can check this out okay

He's not around anymore No his name was Dirty

He was slick and thought he was perdy

White hats and women

Or anything that was tight and he could fit in Had a way with numbers

Ran 'em so unencumbered

Had a reputation for love inflation

You see that was his employment

As he worked for enjoyment
