

# Nervous

Gavin James

I promise that I'll hold you when it's cold out  
And we'll lose our winter coats in the spring  
'Cause lately I was thinking I never told you  
That every time I see you my heart sings  
'Cause we lived at the carnival in summer  
Scared ourselves to death on a ghost train  
And just like every ferris wheel stops turning  
Oh, I guess we had an expiration date  
So I won't say I love you, it's too late 'Cause every time I saw you I got nervous  
Shivering and shaking at the knees  
And just like every song I haven't heard yet, no  
I didn't know the words in front of me  
In front of me Oh, but I don't wanna know  
But who will take you home  
Who will take you home  
Who will take you home  
If I let you go And now that you're on someone else's shoulders  
The winter winds are colder on my own  
Maybe we will meet when we get older  
Maybe we won't
