I Don't Know

dredg

I'm absorbed in mediocrity
? uncertainty
Glazed with profanity
And conform like fraternity
I yearn for serenity
With endless possibilities
Overwhelming capabilities[Chorus: x2]
Singing, I don't know if I've been reborn,
Lived a past life, suffered in another time,
I don't knowGive it up, give it upWell I don't know what to believe anymore
But every now and then I feel a moment of awakening
But then it's gone, then it's gone, then it's gone
Blanketed by the warmth of ignorance[Chorus: x2]If I'll go somewhere special when I die
If I'll go somewhere special when I die
So I'll just go on living my wayThere's a strength in duality
Penetrate mentality
Give it up, give it up
I've learned from casualty
Don't have faith in anything
Give it up, give it upSinging, I don't know know, no, I'll never know
I'll give it up[Chorus: x3]If I'll go somewhere special when I die
If I'll go somewhere special when I die
So I'll just go on living my way
