

# Tell the Girl

## Cowboy Mouth

Well it looks like I'm a dumb ass, I dropped the ball again  
'Cause the woman I love is pissed at me saying this has got to end  
Now I tore it up late last night - got way too drunk, it's true  
Can I somehow make it up to her? Is there anything I can do? You've got to tell the girl you're sorry for  
anything you ever said  
Tell the girl you're sorry for making her wish she was dead  
Tell the girl your'e sorry for leaving her alone and cold  
Tell the girl you're sorry for being such an asshole So she tells me she's getting really really tired of the crap I  
tend to pull  
Like showing up where she works naked covered in baby oil  
Now I'm trying really hard, trying really hard, trying to keep my evil side in check  
But sometimes you just gotta kick the cat and deal with what you get Tell the girl you're sorry for being such a  
selfish jerk  
Tell the girl you're sorry for not caring that the kitty got hurt  
Tell the girl you're sorry 'cause the two of you still ain't wed  
Tell the girl you're sorry for being such a shit head I'll say I'm wrong  
Will this take long?  
No need for you to go on and on  
I earn my keep  
Just give me peace  
I swear I love you  
Let me sleep Now it seems that I must apologize even though I think I'm right,  
'cause lordy knows, hone, if I don't there will be no nookie tonight  
So I slowly turn to the woman I love saying, "baby, baby, baby please"  
Then I watch her smile and point to me saying, "Get down on your knees and..." Tell the girl you're sorry for  
everything you never said  
Tell the girl you're sorry for giving really lousy head  
Tell the girl you're sorry for feelings you can never show  
Tell the girl you're sorry for being such an asshole
