Smile

The Vamps

Kick up a fuss
You know you're gonna my dear
Smile for me girl
Don't you shed a tear
Give me all back
Cut me a bit of slack
Tell me you're never gonna leave me at all
I'm on the other side with the greener grass
My girl?

So won't you smile for me
And I'll take your picture
Make it last a lifetime
Replay it in my eyes
Smile for me
I'll give it all back
In my own good time
Yeah I'll make you mine
You got me so hung up
You got me so love struck

I'll be back around before you know it all
So wait for me and I'll wait for you to call
Give me all back
Cut me a bit of slack
Tell me you're never gonna leave me at all
I'm on the other side with the greener grass
My girl?

So won't you smile for me
And I'll take your picture
Make it last a lifetime
Replay it in my eyes
Smile for me
I'll give it all back
In my own good time
I'll make you mine
You got me so hung up

You got me so love struck

Smile for me girl
Smile for me girl

Smile for me girl
So won't you Smile for me girl
Smile for me girl
And I'll take your picture
Cause I'm coming with you
Smile, smile, smile

Smile for me girl
Smile for me girl
Smile for me girl

Smile for me
And I'll take your picture
Make it last a lifetime
Replay it in my eyes
Smile for me
I'll give it all back
In my own good time
I'll make you mine
You got me so hung up
You got me so love struck
