Jenny

Johnny Mathis

Oh, oh, oh, oh Jenny
I've known others since Jenny
But I've never met any
Who could make me forget
That childish look of wonder on her angel face
In that wild enchanted moment of our first embrace
Got to look for Jenny
Now I'm wiser and older
Now I'd know how to hold her
If I found her again
If I must search forever
That's just what I'll do
Oh, Jenny
I'm still so in love with you
If I must search forever
That's just what I'll do
Oh, Jenny
I'm still so in love with you
