Back when we started  
Dã©jã vu  
Back when we started (yeah)  
Dã©jã vu  
Dã©jã vuTime ain't on my side, never been  
I'm tired of trying, never win  
Caught me in a lie, caught your friend  
Story of my life, again and againCause it feels like I been here before  
Lost in love, you know me baby  
Feels like I been here before  
Lost in love, you know me  
Feels like I been here before  
Lost in love, you know me (dã©jã vu)  
Feels like I been here before  
Lost in love, you know me baby  
Back when we started

Feels like I been here before  
Lost in love, you know me
