

Travelin' On

Nora Jane Struthers

When I was a baby child
my mama rocked me side to side
She sets me down, I start to crawl
Ever since then been travelin' onTravelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin' onChristmas morning 8 years old
A shiny new blue bicycle
Straight to the sidewalk and she's gone
Ever since then been traveling' onTravelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin' onBig sister's first automobile
Crank the radio and take the wheel
Oooh, it feels so right it can't be wrong
Ever since then been travelin' onTravelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin' onIt's a part of life, we have to choose
which path to walk in which pair of shoes
And there ain't one thing that stays for long
Ever since then been Travelin' onTravelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin' onThis time last year I bought a cane
My knees ache every time it rains
But I still shout and sing my song
Ever since then been travelin' onNow I sit here rocking in my chair
Grandbabies crawling everywhere
Soon I'll be with the the angel band
With wings to fly won't need to standI'll be travelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin'
Travelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin'
Travelin' on
I am not afraid of travelin' on
I am not afraid of travelin', travelin'
we're travelin', travelin'
we're travelin', travelin' on
