

3-way

City High

(HOOK)

bone diggy dig on bone

(repeat x8)

Now the way you went

Got me in this messed up predicament

'cause i aint know how to be monagomous

I was caught in the wrong

Just walking through the mall

With a short on my arm

Now i played the fool

Sitting in the sneaker store buying shoes

My girl best friend came strolling through

I tried to turn away but i turned to late

'causeshe already saw my face

I was hoping she

Didn't really get a good look at me

She walked out the store so casually

I thought that i was fine

So she called me later on

With my girl on the line

(CHORUS)

She seen me

Call me up on the 3-way

Giving my girl the whole replay

Has it happened to you

She seen me

Call me up on the 3-way

Giving my girl the whole replay

Tell me what to do

Now I tried to lie

Said it must have been some other guy

You know your friends jealous of you and I

She aint got a man

So she all up in our business

SHUT UP AND LET ME FINISH GIRL!

You crushing me

Acting like you aint got no trust in me

I thought you said you was in love with me

Well act like you know me
Hang up the phone, tell your girl leave us alone
But she aint quit
The more i try to lie the angrier she get
Told me it was over with us, that's it
Word to all me
If you gon' be out creeping
Look out for her friend

(CHORUS)

Now ladies know how to stick together, together
No matter what you say you ain't gon' win, mmm mmm
Brothers, better have yo stuff together, together
But she always gon' believe her friend
She always gon' believe her friend

HOOK x4

CHORUS w/ hook

hook till end
