DNA

Septic Flesh

Messenger of generations, I can change you, you can change me.
Following your winding staircase, doors are opened, doors are closed behind.DNACodes are broken, we can re-program.
Dark New Age
Protein synthesis, replication, cell repairing.
Dark New Age
We are blessed with the Midas touch.
Dark New Age
We are golden, we are sulphur, we are water.
Dark New AgeDnaDark New Age
