

DNA

Septic Flesh

Messenger of generations, I can change you, you can change me.

Following your winding staircase, doors are opened, doors are
closed behind. DNACodes are broken, we can re-program.

Dark New Age

Protein synthesis, replication, cell repairing.

Dark New Age

We are blessed with the Midas touch.

Dark New Age

We are golden, we are sulphur, we are water.

Dark New AgeDnaDark New Age
