In Time

Mark Collie

I can hear what you're thinkin'
All your doubts and fear
And if you look in my eyes in time
You'll find the reason I'm hereAnd in time, all things shall pass away
In time, you may come back someday
To live once more or die once more
But in time, your time will be no moreYou know your days are numbered
Count 'em one by one
Like notches in the handle of an outlaw's gun
You can outrun the Devil if you try
But you will never outrun the hands of timeIn time there'll surely come a day
In time, all things shall pass away
In time, you may come back some say
To live once more or die once more
But in time, your time will be no moreI can hear what you're thinkin'
