The Worst Lies Are Told In Silence

Grade

Questioning the questions. What if thoughts didn't leave the thinker? I don't think my frequency is coming in. My connections aren't connecting. I'm acting real with the actors acting well. I just want to let you know that I haven't failed. Do you think of me, like I do of you? Sometimes I think I've got all the answers. You have to be inventive to keep inventing. I'm acting real with the actors acting well.
