The Marvelous Toy

John Denver

1, 2, 3, 4When I was just a wee little boy, full of health and joy

One Christmas morning I received a marvellous little toy

A wonder to behold it was, with many colors bright

And the first trime I laid eyes on it, it became my heart's delightIt went zip when it moved

Bop when it stopped

Whirrr when it stood still

I never knew just what it was

And I guess I never willThe first time that I picked it up I had a big surprise

For right on it's bottom were two big buttons

That looked like big green eyes

I first pushed one, then the other, then I twisted it's lid

And when I set it down again, this is what it didIt went zip when it moved

Bop when it stopped

Whirrr when it stood still

I never knew just what it was

And I guess I never willIt first marched left, then marched right

And then marched under a chair

And when I looked where it had gone it wasn't even there

I started to cry, my daddy laughed, he knew that I would find

When I turned around my marvelous toy chugging from behindIt went zip when it moved

Bop when it stopped

Whirrr when it stood still

I never knew just what it was

And I guess I never willThe years have passed too quickly it seems, I have my own little boy

And yesterday I gave to him my marvelous little toy

His eyes nearly popped right out of his head, he gave a squeal of glee

Neither one of us knows just what it is but he loves it just like meIt still goes zip when it moves

Bop when it stops

Whirrr when it stands still

I never knew just what it was

And I guess I never will

I never knew just what it was

And I guess I never will
