

Come Along (Cherno Jah Remix) [Remastered]

[Titiyo](#)

Play with it while you have hands
Dust settles, cities turn to sandTrespassing this is their land
Time flies, make a statement, take a standCome along now
Come along with me
Come along now
Come along and you'll see
What it's like to be freeCome along
Come along with me
Come along now
Come along and you'll see what it's like to be freeCome along now
Come along with me
And I'll ease your pain
Come along
Come along with me
And let's seize this day
Come along, come along with me
Oh, come along with meStay out stay clear but stay close
Friends, foes, God only knows
Lets be the thorn on the rose
Time flies, make a statement, strike a poseCome along now
Come along with me
Come along now
Come along and you'll see
What it's like to be freeCome along
Come along with me
Come along now
Come along and you'll see what it's like to be freeCome along now
Come along with me
And I'll ease your pain
Come along
Come along with me
And let's seize this day
Oh, Come along with meTime flies, make a statement, take a stand
Time flies, make a statement, take a stand
Time flies, make a statement, take a stand
Time flies, take your chanceCome along
