Solid Hex

Fu Manchu

Runnin' a motor live, shoot through in time
Hustle a fortune give, straighten the side
Chort movin' all, burnin' in mind
Well past the start, I'm given' up this timeI know, right on time
I know, checkin' the line
I know, right on time
I knowSit there in hiber sound, spacin' a fall
Burnin' a handle thin, don't mind at all
Believe I seen it now, leavin' with more
With all of them wrong, still givin' ya forI know, right on time
I know, checkin' the line
I know, right on time
I know
