

Turn the Lights Out

The Ponys

(Turn the lights out)
Turn the lights out
Turn the lights out
Turn the lights out
Turn the, turn the,
Turn the lights out
Turn the lights out
Turn the lights out
Turn the lights out

Make way for the ultraviolet teenage riot

Don't try it

(You can't stop this, stop this, you can't, stop this, stop this)

You see I'm lit like a Molotov, get out my way when the riot kicks off

(You can't stop this, stop this, you can't, stop this, stop this)

Get ready for the rough and tumble, if you wanna be starting something

You ain't seen nothing yet, no, you ain't seen nothing

Push your way to the pit, stand tall, raise your hands if you wanna be starting something

You ain't seen nothing yet, no, you ain't seen nothing

Turn the lights out, turn the lights out, turn the lights out

Make way for the bass, we fracture ribs and dim when the sun comes in

Go, go, go, go, go, go, go, go

Make way for the drums we pillar these beats so hard like concrete sheets

Go, go, go, go, go

We hit the fuse and we're ready to blow,

I don't care where we are, I don't care where we go,

You better run for cover when the filaments go

I don't care where we are, I don't care where we go

This is your last chance boy, this is your last chance

This is your last chance, your last chance

This is your last chance, your last chance

This is your last chance, your last chance

This is your last chance, your last chance

Make way for the cardinal sin, when the boys come out, when the freaks come in

Go, go, go, go, go, go, go, go

Make way for the horror show, if you wanna bring it then we'll come a-loco

Go, go, go, go, go, go, go, go

We hit the fuse and we're ready to blow, I don't care where we are, I don't care where we go, You better run for cover when the filaments go I don't care where we are, I don't care where we go

I don't care where we go

I don't care where we go

Turn the lights out

Turn the lights out

Turn the lights out

Turn the, turn the,

Turn the lights out

Turn the lights out

Turn the lights out

Turn the lights out
