

# Loco in Acapulco

## The Four Tops

Going loco down in Acapulco  
If you stay too long  
Yes, you'll be going loco down in Acapulco  
The magic down there is so strong.

Feel the pressure  
Your back's against the wall  
Love is gaining on you  
You're just about to fall.  
If you're afraid to love  
Afraid to take a chance  
You better hide your feelings  
Get out while you can.

'Cause you'll be going loco down in Acapulco  
If you stay too long

You can hear voices bleeding through those warm Latin nights  
Memories are lost and found  
Leaving broken hearts all over town

'Cause you'll be going loco down in Acapulco if you stay too long

You'll be pulling out your hair  
Drowning in despair  
With a whole lot of nothing on your way to nowhere  
Your search for paradise will come to an end  
When you realize what a fool you've been.  
You'll be haunted by her face  
Missing her warm embrace  
Memories of loving her  
Holding her tight every night.  
Was that the best part of your life ?  
Hearing her voice soft and low  
Begging you to please  
Please don't go  
Don't go  
No! Don't go! Don't go!

You can hear voices bleeding through those warm Latin nights

'Cause you'll be going loco down in Acapulco if you stay too long

Going loco down in Acapulco if you stay too long

Going loco down in Acapulco if you stay too long
