

# So In Love

## Tribe

You and I had such good times  
Summersun was on our minds  
Stars were always shining  
In our fantasy (fantasy)  
Like romeo and juliette (juliette)  
We fell in love with no regrets (no regrets)  
I think you were the longest love  
Was meant to be (meant to be)So in love with you  
I love you  
So in love with you  
Only you  
I'm so in love with you  
I will always be with you  
2xAs time goes bye our love grows strong  
Many thought that we were wrong (we were wrong)  
Will be you  
that our move was never turning blue (turning blue)  
So when I look into your eyes  
The light I see is no surprise (no surprise)  
No one could ever keep me  
Away from you (away from you)So in love...Like Romeo and Juliette  
we fell in love with no regrets  
I think you were the longest love  
Was meant to beSo in love...
