

I Can't Get Over You

Brooks & Dunn

I forget where I'm goin' in my own house
I got myself in this, I'll get myself out
I talk out loud, at the top of my voice I sing
Whoa keep the faith, see what tomorrow brings I can't get over you, try as I may, oh it's no use
My heart just can't leave you alone
My mind won't believe you're gone
I can't get over you I got a front row seat here to a fool's masquerade
And that fool in the mirror keeps sayin', "I'm doin' okay"
I stare at that door that you walked out
It hits me hard and leaves no doubt I can't get over you, try as I may, oh it's no use
My heart just can't leave you alone
My mind won't believe you're gone
I can't get over you
