

# The Rhythm Divine (feat. Shirley Bassey)

Yello

You know that my tears  
Have kept me awake  
The longer you're gone  
I'll hunger and shake  
From Warsaw to Rome  
I'll wait out of time  
With you in my heart  
The rhythm divine So won't you come close  
Bring this to an end  
With each winter rose  
My love I will send  
So tender the night  
When you hold me tight  
With you in my heart  
The rhythm divine With you in my heart  
The rhythm divine You know that these tears  
Have kept me awake  
The longer you're gone  
I'll hunger and shake  
From Warsaw to Rome  
I'll wait out of time  
With you in my heart  
The rhythm divine  
The rhythm divine  
The rhythm divine
