Diamonds

Laura Mvula

(Verse)
Sometimes the grass aint greener on the other side.
Maybe the sky is clearer in another place.(Chorus)
But you got diamonds under your feet.
But you got diamonds in your heart.(Verse)
Waiting for a day of change to come.
And youre beautiful, dancing in a gloomy store.(Chorus)
But you got diamonds under your feet.
But you got diamonds in your heart.
But you got diamonds in your heart
