

i feel fine

Cuckooland

Right now, I really don't care
If I'm alone or if I got you sittin' there
Oh no, look I've done it again
Man, I should think about it before I say anything
1 2 3 4 looks like I'm alone again

And I feel fine

Doesn't really matter now

'Cuz I'm alright

Knocked me on my ass again but I don't mind

Looks like I'm alone again

And I feel fine

Right now, I don't know what to say
Because you're mean and I never liked you anyway

Don't ever call 'cuz I don't want to be friends

Excuse me now 'cuz the chorus is comin' up again

1 2 3 4 looks like I'm alone again

And I feel fine

Doesn't really matter now

'Cuz I'm alright

Knocked me on my ass again but I don't mind

Looks like I'm alone again

And I feel fine

They come and go, I don't feel a thing

It's not 'cuz I'm a jerk and I don't care

And I don't know, what's the matter with me?

And I only know the right girl is still out there

And I feel fine

Doesn't really matter now, 'cuz I'm alright

Knocked me on my ass again but I don't mind

Looks like I'm alone again and I feel fine

I feel fine

Doesn't really matter now, 'cuz I'm alright

Knocked me on my ass again but I don't mind

Looks like I'm alone again and I feel fine
