Terrible Funk

Breakbeat Era

Slide on in
Slide on in between
Liquid bass babe, you're just a drop in the ocean
I look up
Look up and lose my step
Watch you take your place in the sunDon't be shy
We all the same on the inside
Liquid bass babe I'm on your mind
Slide on in
Slide on in between
Liquid bass babe I'm on your mindDrive to drive man they come from nowhere
Big black suits no number on their jackets
Holy cow no I don't tell them nothing
I'm on your side
Don't go out you'd think I'd learn my lesson
Day to day we fight a losing battle
Shine out shine it's on the surface baby
On the other sideYes I see you
Day by day
Don't go out
Feel so strange
My own time yeah
Run to run
Drink so deep yeah
I'm deaf and dumbSlide on in (slide on in)
Slide on in between
Liquid base babe I'm on your mind
I look up
Look up and lose my step
Watch you take your place in the sunSlide on in (slide on in)
Slide on in between
Liquid bass babe, you're just a drop in the ocean
I look up
Look up and lose my step
Watch you take your place in the sunDon't be shy
We all the same on the inside
Liquid bass babe I'm on your mind
Slide on in
Slide on in between

Liquid bass babe I'm on your mindYes I see you
Day by day
Don't go out
Feel so strange
My own time yeah
Run to run
Drink so deep
I'm deaf and dumbSlide on in (slide on in)
Slide on in between
Liquid bass babe, you're just a drop in the ocean
I look up
Look up and lose my step
Watch you take your place in the sunDon't be shy
We all the same on the inside
Liquid bass babe I'm on your mind
Slide on in (slide on in)
Slide on in between
Liquid bass babe
