

Science

Small Potatoes

 pootatoee
 small potatoe
 Small potatoe
 small potatoe
 (poooootatoeees)
 small potatoe
 (Ahhh potatoe)
 on the moon!
 ooooo
 small potatoes in the sea
 small potatoes in the bath
 small potatoes sing with me
 (poottaattooeee)
 small potatoe
 small potatoe
 small potatoe
 small potatoe
 small potatoe
 small potatoe
 small pootaaaattooeeee

(I think science is making loads of potion and learning about the sky different planets)

Science Science Science Science Science
Science Science Science Science Science

Howâ€™s it made it tick whereâ€™s rain come from
Is there a trick the stars at night what makes
them shine why does the rainbow look divine

Science Science Science Science Science
Science Science Science Science Science

A leaf is green the sky is blue I donâ€™t know
I donâ€™t have a clue but science helps me

Understand to sea the sky a tree the land

Science Science Science Science Science
Science Science Science Science Science

A storm a kite a key don't look now
Electricity the stars seen in Outer space
The humans in the humans Race

(2.36s) or 4 beats)

Science Science Science Science Science
Science Science Science Science Science

Some bugs Crawl some bugs hop some
Potatoes have a leaf on top science helps
Me know right now the why the what the
When the how

Science Science Science Science Science
Science Science Science Science Science

Science !!!!!!!!!!
