L.O.V.E. Machine

W.A.S.P.

Lady have you known me
The perfect love machine ah
Virgo, my Leo's rising
Venus made me king
That trail of broken hearts
They all belong to me
Magic runs through my fingers
One touch you'll see!![Chorus]
L.O.V.E All I need's my love machine, oh
L.O.V.E All I need's my love machine, oh
L.O.V.E All I need's my love machine, oh
L.O.V.E All I need's my love machine tonight..tonightWhat can I do for you am I your wildest dream
What do I move in you am I what I seem
My eyes they lie and you cry
Love brings you pain
And if you try to love me
You'll not feel the same[Chorus x2]
