

# September In the Rain

**Rod Stewart**

The leaves of brown came tumblin' down, remember  
In September in the rain  
The sun went out just like a dying ember  
That September in the rain To every word of love I heard you whisper  
(I heard you whisper)  
The raindrops seem to play a sweet refrain Though spring is here, to me it's still September  
Ooh, that September in the rain To every word of love I heard you whisper  
(I heard you whisper)  
The raindrops seem to play a sweet refrain Though spring is here, to me it's still September  
That September in the rain  
That September in the rain  
That September in the rain That September in the rain
