

The Red Carpet Grave

Marilyn Manson

They call her 'Bulldozer Speech Demon'
Without distractions of hope
She makes the depression business
Look surprisingly novelAnd she's not just royal, allegedly loyal
Not unfaithful but she has no faith in me
Inhale the damage smoothly
Paradise isn't lost, it was hiding all alongThere's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come ungluedI can't turn my back on you
When you are walking awayBottomless celebrity scar
Staged circuses for schoolgirls
Boys are all dressed up like a
Mediocre suicide omenHere comes the red carpet grave
Again and again and again, oh manThere's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come ungluedI can't turn my back on you
When you are walking away
I can't turn my back on you
When you are walking away
Can't turn my back on you
When you are walking awayThere's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come ungluedThere's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come ungluedIt's easy to beat the system
Had a hard time beating the symptoms
Had a hard time beating the symptomsI can't turn my back on you
Can't turn my back on you
I can't turn my back on you
When you are walking awayHere comes the red carpet grave
Again and again and again
Here comes the red carpet grave
Again and again and again, oh man
