The Greatest Gift

R. Kelly

Ah ha yeah aha, I want to (I want to)
Jessy want to, (yeah) got the Christmas spirit then, say yes
(I want to, I want to)
(I want to, I want to)
I wanna make love for Christmas
wa wa wa wa wa
(I want to, I want to)We don't have to cut and play girl, noo
cause we know what we're here for
(know what we're here for)
we don't need to talk about it baby
just c'mon here and close the doorGirl, this time nothing makes it a time for give in (give in girl)
so let's lay down and let me express my feelings
When it comes down to the holidays
make no mistake I know that your love is the greatest gift
oh a oooh
Christmas trees and all the stings have been given to me girl but
your love is the greatest gift
oh I didn't know how to do decorating 'n taking toast and celebrating girl but your
your love is the greatest gift
so let's unrap tonight
your love is the greatest gift
good night until the morning
your love is the greatest giftThis holiday we will make it bigger
so open up and let me get into your love through the night, girl oooh
(I want to, I want to)
Hold up
(I want to, I want to)
I promise all this Christmas night
I'll take good care of you
who needs a fantasy
when I am laying here with my dream come true
holiday was made for give in, girl
so, give me your love baby (give me your love)
when it comes down to the holidays
make no mistake I know that your love is the greatest gift
oh a oooh
Christmas trees and all the stings have been given to me girl but
your love is the greatest gift
oh I didn't know how to do decorating 'n taking toast and celebrating girl but your

your love is the greatest gift
we can open all the presents but
your love is the greatest gift
cause baby no thing compares to your love
your love is the greatest gift
when would Christmas be
your love is the greatest gift
without you here with me
your love is the greatest gift
nothing can compare baby
your love is the greatest gift
to the joy of being here baby
your love is the greatest gift
Merry Christmas
