Advisory - the following lyrics contain explicit language:

New York City, uh huh  
Center of the universe, sing it girl  
Times are shitty  
But I'm pretty sure they can't get worse, I hear that It's a comfort to know  
When you're singing the hit the road blues  
That anywhere else you could possibly go  
After New York would be, a pleasure cruise Now you're talking Well, I'm thwarted by a metaphysic puzzle  
And I'm sick of grading papers that I know  
And I'm shouting in my sleep, I need a muzzle  
And all this misery pays no salary, so Let's open up a restaurant in Santa Fe  
Oh, sunny Santa Fe would be nice  
We'll open up a restaurant in Santa Fe  
And leave this to the roaches and mice Oh oh oh You teach? Yeah, I teach, computer age philosophy  
But my students would rather watch TV, America, America  
You're a sensitive aesthete  
Brush the sauce onto the meat You can make the menu sparkle with rhyme  
You can drum a gentle drum  
I could seat guests as they come  
Chatting not about Heidegger but wine Let's open up a restaurant in Santa Fe  
Our labors would reap financial gains  
We'll open up a restaurant in Santa Fe  
And save from devastation our brains We'll pack up all our junk and fly so far away  
Devote ourselves to projects that sell  
We'll open up a restaurant in Santa Fe  
Forget this cold Bohemian Hell Oh oh oh Do you know the way to Santa Fe?  
You know, Tumbleweeds, prairie dogs, yeah
