Teeth

Kemopetrol

Hear me out, I'm not the one to take the garbage that you give
Hear me out, told you the truth and you rewarded me this way
All my anger did shine through that day, couldn't help it
Stick your teeth into my heart, you stick your teeth into my heart
Hearts can mute brains, couldn't hold it

It's all in here, my friends and I study the attitude you teach
It's all in here, nothing matters and I've been drinking anyway
Is jealousy the thing you want from me? You see I'm sweating it out
Stick your teeth into my heart, you stick your teeth into my heart
Hearts can run dry, see I'm pouring it out

You go away but I'm getting nowhere
