The Skull

Trouble

This is my body, my sacrifice to you
This is my blood which shall be shed for your sins
I have come to be the light of the world
Not to judge but to save all of youAs darkness sets, the agony begins
One of you will betray me with a kiss of death
Pray that you may not enter into temptation
God gives me strength, I'm going to be crucifiedA crown of thorns and disgraced by scourge
I took up my cross had to carry it to the skull
Do not weep for me, but for you and your children
Father forgive them for they know not what they doWhy did we turn our backs on Him?
How could we let it happen?
Just stood and stared at the man on the cross
The time will come when we must face life aloneYou got to make up your mind
For what you know is right
Let's not be another face in the crowd
We can do it togetherLet us pray for those who crucify Christ
Have mercy for fools who follow fools
Christ have mercy for those who walk in darkness
Christ have mercy and for all of you, Christ will come again
