

Carry Me (Maxx Baer Re-Think)

Bombay Bicycle Club

You try to keep the options near
I want you home, I want you here?
The last you saw across the track?(I won't change, you know that)
The rest are never coming back?(I won't change, you know that)If anybody wants to know
Our love's getting old
Light in the cracks in the roadYou carry, you carry, you carry, you carry me
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?(I won't change, you know that)
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me (I won't change, you know that)
You carry, you carry, you carry, you carry me?It's time I let my mind disarm
I never meant to cause you harm
Just to try to keep the options near
I want you home, I want you hereYou carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?You carry, you carry, you carry, you carry me (I won't change,
you know that)
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me (I won't change, you know that)
You carry, you carry, you carry, you carry me?
You carry, you carry, you carry, you carry me?(I won't change, you know that)
You carry, you carry, you carry, you carry me (I won't change, you know that)
You carry, you carry, you carry, you carry me?(I won't change, you know that)
You carry, you carry, you carry, you carry me?If anybody wants to know
Our love's getting old
Light in the cracks in the roadYou carry me!
