Attention

The Academy Is...

Attention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one secondThis table has taken a turn for the worst
Rock bottom and over the edge
Well, its not like it hurts that much anywayUpside-down and inside-out
When I leave here Im going alone
Well, its not like, not like it hurts much anywayAttention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to?Oh, did I mention when I see you it stings like hell?
To the fact that we could have something thatll never happen
Did you hear what I have to?This balance has weighed out our hearts desire
Im trying to make it alone
Well, its not like it hurts that much anywayUpside-down and inside out
When I leave here Im going alone
But Im dying, Im dying to touch
And its not like it, not like it hurts much anywayAttention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to?Oh, did I mention when I see you it stings like hell?
To the fact that we could have something, somethingAttention, attention, may I have all your eyes and ears
To the front of the room if only, if only for one second
Did you hear what I have to?Oh, did I mention when I see you it stings like hell?
To the fact that we could have something thatll never happen
Did you hear what I have to?Attention, attention
Upside-down and inside-out
Attention, attention
Upside-down and inside-out
