Not The Only One

Aslyn

He'd already asked for my number
When will he call?, I wonder
I'd give it away on a Friday
I haven't heard a frigging now it's Wednesday
I don't know what he's thinking
He can leave me alone and I'll be waiting
I don't think so, there's other fish in the sea
Who would love to swim with me
You're not the only one out there for me
And I know
(And I know)
You're not the only one who's gonna be
For me
(For me)
There's other fishes in the sea
There's other fishes in the sea
You finally called and I'm not home
Don't even bother at all
Can't remember what he looks like
It's been 14 days, that's not my type
I know they're not all like that
There's gotta be some
That don't think they're all that
Yes, I know so
There's other fish in the sea
Who would love to swim with me
You're not the only one out there for me
And I know
(And I know)
You're not the only one who's gonna be
For me
(For me)
There's other fishes in the sea
There's other fishes in the sea
(In the sea)
There's other fishes in the sea
There's other fishes in the sea
(Fishes in the sea)
You're not the only one out there for me

And I know
(And I know)
You're not the only one who's gonna be
(Be)
For me
(For me)
You're not the only one
(There's other fishes in the sea)
You're not the only one
(There's other fishes in the sea)
You're not the only one
(There's other fishes in the sea)
You're not the only one
(There's other fishes in the sea)
