

Son of Nothing

Electric Wizard

Dying sun fades in our sky
The time has come for us to say goodbye
Construct the pods, we must evacuate
To the stars again, is this to be our fate? Oh, baby, just maybe we'll take you
To the sun of nothingness
Oh, baby, just maybe we'll take you
To the sun of nothingness We left the war pigs far behind
Plot apocalyptic course to find
Will we ever reach our journey's end
To find a world and start again? Oh, baby, just maybe we'll return
To the sun of nothingness
Oh, baby, just maybe we'll return
To the sun of nothingness Dying sun fades in our sky
The time has come for us to say goodbye
Construct the pods, we must evacuate
To the stars again, is this to be our fate? We left the war pigs far behind
Plot apocalyptic course to find
Will we ever reach our journey's end
To find a new world and start again?
