

# 11:11

## Austin Mahone

It's 11:11 make a wish n make a wish and say (x2)  
It's 11:11 make a wish make a wish and say  
I hope you come true Yeah, 1 2 3 4 soon as you walk through the door  
Countin' 5 6 7 8 9 one million thoughts quick hit my mind Have you been running?  
Where have you been lately?  
Oh, you know it drives me crazy  
You know I miss your kiss  
Hate to let you see me like this Because I know when she's on my mind  
She's got me all worked up inside  
And I know it's going down tonight  
Because she's moving and it's feeling right  
Girl you got me feeling right And I know that you've been hatin' me  
Let the things I said be history  
You can move like that I can move like this  
Girl you know it's time to make a wish  
Make a wish girl It's 11:11 make a wish n make a wish and say (x2)  
It's 11:11 make a wish make a wish and say  
I hope you come true It's 11:11 make a wish n make a wish and say (x2)  
It's 11:11 make a wish make a wish and say  
I hope you come true Yeah, 8 7 6 to the 5 I'll be singing your song and I'll sing it all night  
'Cause 4 3 2 1 I don't wanna be singing alone  
You are the perfect melody but now my harmony's feeling outta key  
I just wanna feel your love again  
Why don't you say that we're more than friends  
Because I know when she's on my mind  
She's got me all worked up inside  
And I know it's going down tonight  
Because she's moving and it's feeling right  
Girl you got me feeling right And I know that you've been hatin' me  
Let the things I said be history  
You can move like that I can move like this  
Girl you know it's time to make a wish  
Make a wish girl It's 11:11 make a wish n make a wish and say (x2)  
It's 11:11 make a wish make a wish and say  
I hope you come true Because you're everything I'm looking for  
I know 'cause I'm not looking anymore  
And I'm so lucky with the love I found  
Make a wish so tomorrow comes around It's 11:11 make a wish n make a wish and say (x2)  
It's 11:11 make a wish make a wish and say

I hope you come trueIt's 11:11 make a wish n make a wish and say (x2)

It's 11:11 make a wish make a wish and say

I hope you come trueIt's 11:11 make a wish n make a wish and say (x2)

It's 11:11 make a wish make a wish and say

I hope you come trueAnd I'm so lucky with the love I found

Love I found

Love I foundAnd I'm so lucky with the love I found

Love I found

Love I found
