

# Ladies Night

## Atomic Kitten

Ooh, oh yeah yeah  
Oh what a night  
It's ladies night This is your night tonight  
Everything is gonna be alright  
This is your night tonight, come on, girls Girls, we've all got one  
A night that's special everywhere  
(Everywhere) From New York to Hollywood  
It's ladies night and girl  
The feeling's good Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright Romantic lady, ooh, oh yeah, single baby  
Sophisticated mama  
Come on you disco, baby, yeah, yeah  
Stay with me tonight If you hear any noise  
It ain't the boys, it's ladies night  
Come on, girls Gonna step out ladies night  
Steppin' out ladies night  
Gonna step out ladies night  
Steppin' out ladies night Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night On disco lights your name will be seen  
You can fulfill all your dreams  
Party here, party there, everywhere  
This is our night, ladies, you got to be there This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright This is your night tonight  
Everything is gonna be alright

This is your night tonight  
Everything is gonna be alrightThis is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright
