

# You

## Candlebox

You, It's for you  
Only you, It's for you I'll never know, I'll never care  
I'll never believe my people  
I'll tell you what I say  
I'll never lie, I'll never try  
I'll never cry for you people  
I'll push you, Push you away As you lonely people  
Keep on runnin', 'Round my door  
Yes you lonely people  
Keep on beggin', Beg for more And I'll cry for you, As I die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart, It's for you  
It's for you I'll never try, I'll never die  
I'll never push for you people  
I'll tell you how I feel  
I'll never lie, I'll never cry  
I'll never try for you people  
I'll tell you, Yes it's real And you lonely people  
Keep on passin' time away  
Yes you lonely people keep on passin'  
Pass away And I'll cry for you, As I die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart, It's for you And I'll take everything as it comes my way  
Pushin' your pain 'round my door  
And I cry for you, As I die for you  
Is this blood on my hands all for you? You shiver and shudder  
Recovers your mother  
You feel it take control  
In your soul Come around town, Steal another dime  
Take another line  
Won't you feel it blanket your soul  
Out of mind?  
Come around town, Steal another dime  
Do another crime  
Won't you get it higher and higher  
I don't want it no more  
And it's mine

Said this pain in my heart is all mine  
Yes it's mine, All alone Oh, I don't want it no more  
I don't want it no more  
And it's mine, On my own  
Yes it's mine, All alone As I cry for you, Yes I die for you  
Pain in my heart it is real  
And I'll take everything as it comes my way  
Feel in my heart, It's for you And I'll lie for you, As I die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Pain in my heart, It's for you.
