You

Candlebox

You, It's for you Only you, It's for youI'll never know, I'll never care I'll never believe my people I'll tell you what I say I'll never lie, I'll never try I'll never cry for you people I'll push you, Push you awayAs you lonely people Keep on runnin', 'Round my door Yes you lonely people Keep on beggin', Beg for moreAnd I'll cry for you, As I die for you Pain in my heart it is real And I'll tell you now how I feel inside Feel in my heart, It's for you It's for youI'll never try, I'll never die I'll never push for you people I'll tell you how I feel I'll never lie, I'll never cry I'll never try for you people I'll tell you, Yes it's realAnd you lonely people Keep on passin' time away

Yes you lonely people keep on passin'

Pass awayAnd I'll cry for you, As I die for you

Pain in my heart it is real

And I'll tell you now how I feel inside

Feel in my heart, It's for youAnd I'll take everything as it comes my way

Pushin' your pain 'round my door

And I cry for you, As I die for you

Is this blood on my hands all for you?You shiver and shudder

Recovers your mother

You feel it take control

In your soulCome around town, Steal another dime

Take another line

Won't you feel it blanket your soul

Out of mind?

Come around town, Steal another dime

Do another crime

Won't you get it higher and higher

I don't want it no more

And it's mine

Said this pain in my heart is all mine
Yes it's mine, All aloneOh, I don't want it no more
I don't want it no more
And it's mine, On my own
Yes it's mine, All aloneAs I cry for you, Yes I die for you
Pain in my heart it is real
And I'll take everything as it comes my way
Feel in my heart, It's for youAnd I'll lie for you, As I die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Pain in my heart, It's for you.
