The Deep

Red Fang

How can you give her a name?
When blood and body are the same
To take a breath for her
To make a home for you
We are the only ones she knewRapture
Is calling
To master
Rule of threeShe's nameless and faceless
Her eyes are my eyesShe hears me and feels me
I fail her, she saves meHow can you just fade away?
Away, without a shadow trace
The three in we that has freed me to be weak
The joy and sadness of the deepEcstatic narcosis
You hide it inside me
The rapture, 3 calling
To master the path of weShe's nameless and faceless
Her eyes are my eyesShe hears me and feels me
I free her, she frees meEcstatic narcosis
We hide it inside usThe rapture of the deep
Three master the path of we
