

# Living in Another World (1997 Remaster)

## Talk Talk

Better parted  
I see people crying  
Truth gets harder  
There's no sense in lying

Help me find a way from this maze  
I can't help myself

When I see tenderness before you left (Forget)  
That even breaking up was never meant (Forget)  
But only angels look before they tread (Forget)  
Living in another world to you  
Living in another world to you  
Living in another world to you

Better parted  
I see people hiding  
Speech gets harder  
There's no sense in writing

Help me find a way from this maze  
I can't help myself

When I see tenderness before you left (Forget)  
That even breaking up was never meant (Forget)  
But only angels look before they tread (Forget)  
Living in another world to you  
Living in another world to you  
Living in another world to you

Help me find a way from this maze  
I'm living in another world to you and I can't help myself

Did I see tenderness where you saw Hell? (Forget)  
Did I see angels in the hand I held? (Forget)  
God only knows what kind of tale you'd tell (Forget)  
Living in another world to you  
Living in another world to you  
Living in another world to you
