Let Your Head Go

Victoria Beckham

From the river to the waterfall
Let the music flow
Feel your fingers, feel the energy
Shake your very soul
And when it feels so good
I can almost lose my mind
And when it feels so good
Ooh, it makes me crazy every time
Let your head go
Shake your body free
'Cause tonight the beat's gonna get you
Let your head go
Baby, care for me
One more time I will make it better
Better, I will make it better
From the dance floor to your fantasy
Gotta break it down
In my system deep inside of me
Gotta let it out
And when it feels so good
I can almost lose my mind
And when it feels so good
Ooh, it makes me crazy every time
Let your head go
Shake your body free
'Cause tonight the beat's gonna get you
Let your head go
Baby, care for me
One more time I will make it better
Let your head go
Shake your body free
'Cause tonight the beat's gonna get you
Let your head go
Baby, care for me
One more time I will make it better
Better, I will make it better
And when it feels so good
I can almost lose my mind
And when it feels so good

Ooh, it makes me crazy every time
Let your head go
Shake your body free
(Shake your body free)
'Cause tonight the beat's gonna get you
(Gonna let go)
Let your head go
Baby, care for me
(Baby, care for me)
One more time I will make it better
(Gonna let go)
Let your head go
(Shake your body free)
'Cause tonight the beat's gonna get you
(Gonna let go)
Let your head go
Baby, care for me
(Baby care for me)
One more time I will make it better
