Victim

Kate DeAraugo

See the girly in the corner over there?
She's a freak show, betcha didn't know
See the way she likes to flick her own blonde hair
And her eyes bat, her momma told her thatShe's got a little box of secrets she won't share
Unless you love her, really love her
Like how she keeps so thin and why she's always scared
Why she cries, why she tells so many lies[CHORUS:]
She don't wanna be anywhere else
If she did she'd (Go)
But it's all she (Knows)
She's a victim
Lovin' and hatin' herself
Likes to over (Do)
Ain't no big thing, she's a victimShe's a victimSee the cute boy in the other corner?
She's gonna zero in, make a mess of him
In a year he's gonna cry, she's so unfair
How she hurt him, how she worked himHe's a liar, 'cause he knew it all along
It's not the first time, just the worst time
He won't admit the fact that victims turn him on
Daddy please, won't you come and rescue me?[CHORUS:]
She don't wanna be anywhere else
If she did she'd (Go)
But it's all she (Knows)
She's a victim
Lovin' and hatin' herself
Likes to over (Do)
Ain't no big thing, she's a victimShe's so pretty and, hard to understand
Ain't it perfect that she cannot be without a man?
This ain't just a fad
You should see it's such a rush, when they touch
They both all hurt so muchAll she really wants deep down is to be loved
But lovin' her's never enough[CHORUS:]
She don't wanna be anywhere else
If she did she'd (Go)
But it's all she (Knows)
She's a victim
Lovin' and hatin' herself
Likes to over (Do)
Ain't no big thing, she's a victimShe don't wanna be anywhere else

If she did she'd (Go)
But it's all she (Knows)
She's a victim
Lovin' and hatin' herself
Likes to over (Do)
She's just kicked him, now she's flicked him
Guess she tricked him, she's a victim
