

Talk Back Trembling Lips (Re-Recorded Version)

[Kitty Wells](#)

Talk back trembling lips shaky legs don't just stand there
Don't let him know he's gettin' through to you
Talk back trembling lips burning eyes don't start crying
Heart don't let him know that you're breaking in two
Everyday our love's a battle royal lately it seems that fighting is all we do
But if I let him know how much I love him he'll do things to me he shouldn't do
Talk back trembling lips...Every time you up and hurt my feelings I pretend it couldn't matter less
But I'm just hiding all of my emotions behind my broken heart I guess
Talk back trembling lips...
