

# The World is a Ghetto

James Moody

Walkin' down the street, smoggy eyed  
Looking at the sky, starry eyed  
Searchin' for the place, weary eyed  
Crying in the night, teary eyed  
Don't you know that it's true  
That for me and for you the world is a ghetto  
Don't you know that it's true  
That for me and for you the world is a ghetto  
Wonder when I'll find paradise  
Somewhere there's a home sweet and nice  
Wonder if I'll find happiness  
Better give it up now I guess  
Don't you know that it's true  
That for me and for you the world is a ghetto  
Don't you know that it's true  
That for me and for you the world is a ghetto

The world is a ghetto  
There's no need to search anywhere  
Happiness is here, have your share  
If you know you're loved, be secure  
Paradise is love to be sure  
Don't you know that it's true  
That for me and for you the world is a ghetto  
Don't you know that it's true  
That for me and for you the world is a ghetto
