

Are You Havin' Any Fun? (with Elvis Costello)

Tony Bennett

Hey fellow with a million smackers
And nervous indigestion Es dif cil pero estoy contento
Mejor lo tengo
You silly so and so
With all your dough Are you havin' any fun?
What are you gettin' out of livin'?
What good is what you've got if you're not havin' any fun? Y si tu quieres estar  s
D nde ganan las sonrisas
Lo llevas dentro es f cil y ven, ven a disfrutar After the honey's in the cone
Little bees go out and play
Y que me quieras como yo a ti
Los todos es as -, hey! Better have some fun
You ain't gonna live forever
Before you're old and gray, it's still okay
Have your little fun, son!
Have your little fun! Solo mirara al lado y s  
Qu   siempre cerca vas a estar, amor
You know the squirrels save and save
And what have they got, nuts! Better have some fun
You ain't gonna live forever
Before you're old and gray, still okay
Have your little fun, son!
Have your little fun!
