Exit (Live from Denver - 1987-11-07)

U2

You know he got the cure
You know he went astray
He used to stay awake
To drive the dreams he had away
He wanted to believe
In the hands of loveHis head it felt heavy
As he cut across the land
A dog started crying
Like a broken hearted man
At the howling wind
At the howling windHe went deeper into black
Deeper into white
Could see the stars shining
Like nails in the night
He felt the healing
Healing, healing
Healing hands of love
Like the stars shiny shiny
From aboveHand in the pocket
Finger on the steel
The pistol weighed heavy
His heart he could feel
Was beating, beating
Beating, beating oh my love
Oh my love, oh my love
Oh my loveMy loveSaw the hands that build
Can also pull downThe hands of love
